

Active indoor antenna

Technical Datasheet

Technical specifications

| | | |
|---------------------|--------------------------------------|---------------|
| EAN | 8 717056 974002 | |
| Total gain | VHF | 7 dBi |
| | UHF | 14 - 20 dBi |
| Frequency range | VHF | 174 - 240 MHz |
| | UHF | 470 - 862 MHz |
| Indicative distance | 25 km | |
| Connection(s) | Male IEC Connector (3,5 meter cable) | |
| Power consumption | 5 V / 25 mA | |

Physical specifications

| | Antenna | Package |
|-----------------|---------------|----------------|
| Dimensions (mm) | 155 x 75 x 26 | 175 x 102 x 57 |
| Weight (grams) | 135 | 235 |
| Material | Polycarbonate | Recycled paper |

Commercial features

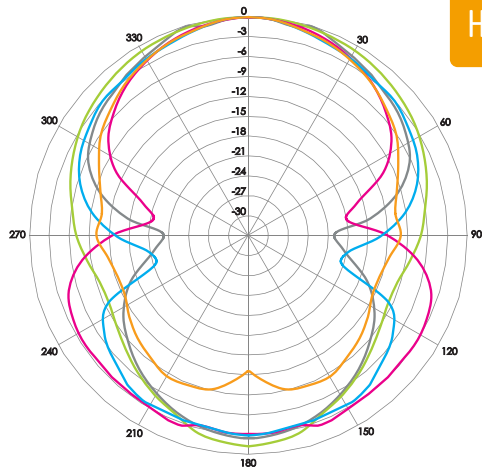

- Plug & Play
- Compact indoor antenna
- European quality
- Trendy design

Powered by Funke
