

## PRO Light USB – World

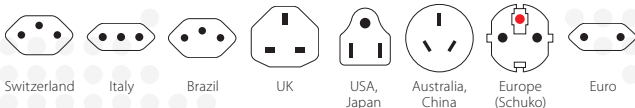

More compact: the smallest 3-pole world travel adapter with an integrated USB charger

The PRO Light USB – World ensures simple and safe connection of 2- & 3-pole devices from and to more than 200 countries (thanks to the included World to Europe top). Able to handle up to 1575 W of power, so you can even plug in powerful devices such as laptops or travel hairdryers. Wherever the traveller comes from, the world travel adapter PRO Light USB – World provides the safest solution of plugging in devices around the world. Furthermore the dual USB port provides sufficient energy to charge two USB devices easily, even if another device is connected via the adapter at the same time.
