

NGS MULTIMEDIA 2.0 SPEAKER SB250

OUTPUT POWER: 6W- USB POWER ON/OFF SWITCH-VOLUME KNOB

NGS SB250 is a striking 2.0 sound system, that offers great 6W power. It offers crystal-clear audio quality and booming basses, for both PC and laptops.

The brand-new speaker set outstands for its elegant design with rubber coating black finish conferring NGS SB250 a modern and sophisticated look.

In addition, its reduced size allows you to take it anywhere and permits you to experience total surround sound quality.

SB250 features a built-in volume control, cable length 1.20 m, to have convenient and fast access to the sound volume key.

Finally, it is equipped with an Audio Aux input to play music from an external device.
